EVENT HISTORY

The year was July 4th 2000, when a group of submarine veterans gathered at the banks of the Guadalupe river in Seguin Texas. It was the first time in almost 20 years the Navy veterans had seen each other.

Over the course of 12 years the event has celebrated AMERICAN "TRADITIONS" that have witnessed family members with 50 years of marriage dance their LAST dance together. A celebration where the original owner father/grandfather is still dancing with his daughter at age 85.

A celebration that brings families and friends together to pay tribute to our fallen warriors and veterans.

A celebration that has watched the children grow into teenagers and get married.

A celebration where the family Pastor offers prayer at the Memorial Service and says GRACE over our food.

A celebration where a man's hand shake is still firm and a hug amongst friends is real.

A celebration where 40 year friendships are common and love is unconditional.

Today these same veterans along with hundreds of families and friends continue to carry the TRADITION into its twelfth year. A 4th Of July tradition that incorporated the raising of a 20'x30' foot Garrison flag in 2005 followed by the Pledge of Allegiance. In 2006 the event started a new tradition with a Bar BQ cook off contest. In 2010 another tradition was created as the event transitioned into the first -July 4th Memorial Service. With over 300 persons in attendance to witness the haunting call of TAPS and the history of the 21 gun salute utilizing the tolling of the NAVY ship's BELL.
